Byron-Bergen is joining public school districts across NYS to celebrate School Board Recognition Week.

Join us in sending a virtual high-five to our BOE members for their unwavering commitment to our District and our students.

## Around the District...

Mrs. Tardy's class chose people who inspire them and listed the character traits which they admire. The list includes teachers, family members, and friends.

Mrs. Fritz's students re-designed book covers. They considered graphic design, mood, content, imagery, and how to "sell" the book based on their cover design.

Great designs from these student artists!

Mrs. Gardner's students are learning about fire safety. They practiced checking a door before opening it. Stay low before you go!

# Spooky Snacks

Mr. Parnapy's FACS students are gearing up for Halloween by making some spooky treats! Get in the spirit of the season with a cup of ooey-goey worms or a refreshing glass of punch—with a hand floating in it!

IT Support Specialist Tom Moore begins his retirement after 13 years with B-B.

"I have enjoyed a fulfilling career here at Byron-Bergen. I also enjoyed the benefit of working in the same district where my children attended school. I am proud to have been able to both live and work in the BB community – Go Bees!"

In retirement, Moore is looking forward to what the future may bring including spending quality time with his wife, kids, and family.
