Annual Varsity Club Blood Drive

On Thursday, March 14, 2019, the Byron-Bergen Varsity Club hosted its annual Blood Drive. 36 students and staff members donated blood throughout the day, impacting more than 100 patients in need.

“It’s important to give back,” says Senior Becca Velasco. This is her third year donating blood. Additionally, this year she is one of the ten students who donated their time to help run the blood drive.

The Red Cross, the organization collecting the donations, also provides incentives for a successful drive. Along with snacks and a free backpack to all who donate, the Red Cross sponsors a scholarship to schools collecting 30 or more pints of blood.

Despite the give-aways and scholarships, helping the community remains the driving force behind donations. The Red Cross’ app alerting donors when their blood is on its way to a patient is popular with the students.

“A lot of people are in need of blood,” says Junior Chloe Shuskey. “You need to help whenever you can.”
Congratulations to Mr. Tallman the cast of Annie! Bravo!
