Budget 2021

Interim Superintendent's Message

Dear Byron-Bergen Community,

The Byron-Bergen Central School District Board of Education unanimously adopted the proposed 2021-22 expense budget during its April 8, 2021 meeting.

This year, the budget process was made more difficult due to a number of factors including the impact of federal stimulus funds, the late New York State budget, and the unknown circumstances that the next school year may bring. Through prudent stewardship of District funds and the assistance of federal stimulus aid, we are able to present a budget with a 0.0% tax levy increase for next year. At the same time, we will have the funding available to focus on the District goal of continuous academic improvement while supporting innovation and college and career readiness.

We also have been granted Federal Stimulus Funds to be used over four years that are designated to assist in making up for any learning losses caused by students being out of school during the last few months of the 2019-20 school year along with the impact of

the hybrid and remote learning portions of the 2020-21 school year. We will be learning more about the approved uses for those funds, but initial planning directions are for use with one-time costs to avoid having a funding gap at the end of the term of the grant. We will keep the community updated as we develop strategies to support our students through the use of these funds.

The following are on the ballot for May 18th:

Proposition 1: 2021-22 Proposed Budget

The \$24,991,065 proposed budget projects a 1.59% increase over last year's budget. As a result of additional revenue through the federal government, there is no planned increase in the tax levy to support the expense budget. The District has been conservative in its approach to ensure that there is not a significant amount to replace when the federal stimulus funding ends.

Proposition 2: Bus Purchase

This proposition includes purchasing two buses and one minivan at a cost not-to-exceed \$249,850. The state aid ratio is approximately 90%, making the net local share \$11,317.50 per bus and \$2,350 for the minivan. The estimated average cost for the bus proposition is less than \$1.00 per year on a house valued at \$100,000.

Board of Education Trustee Election:

Two Board of Education trustees will be elected to serve a three-year term beginning July 1, 2021. See page 7 for more information about the candidates.

We encourage you to review the information on the following pages to learn more about the budget, propositions, and Board candidates. Community members will also have an opportunity to learn more about the budget and candidates at a public hearing on May 11th at 6 p.m. via Zoom. The link will be available through the Byron-Bergen Central School District website under the Board of Education tab. The public budget presentation, bus purchase proposition, and additional resources are posted on our website.

Please feel free to contact our Business Office at (585) 494-1220 if you have any questions. Thank you for your continued support and we encourage you to exercise your right to vote on May 18, 2021.

Byron-Bergen Central School District's **MISSION** is to inspire, prepare, and support using the **VALUES** of compassion, humility, kindness, and persistence with the **VISION** to change the world.

BUDGET VOTE - MAY 18, 2021

Three part budget expenditures

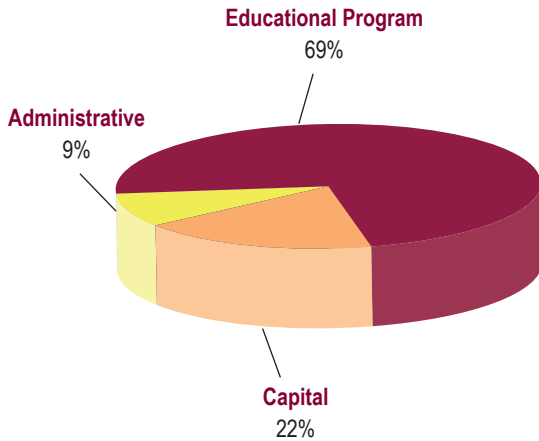

New York State law requires that school districts present the proposed budget in three parts: administrative, educational program, and capital.

Administrative component – includes expenses for the Board of Education, central administration, instructional supervision, curriculum development, legal services, central data processing, newsletters, mailing, internet, and employee benefits attributable to salaries included in these functions.

Educational program component – includes expenditures for instructional programs, school library/ audiovisual, attendance, counseling, health services, interscholastic athletics, student transportation, transfers to special aid fund, and employee benefits attributable to salaries included in these functions.

Capital component – includes expenses for operations and maintenance, grounds, security, utilities, principal and interest payments for debt service, transfers to capital fund, and employee benefits attributable to salaries included in these functions.

School bus proposition

The District will have a proposition to purchase replacement school buses on the ballot on May 18, 2021 in an amount \$249,850. The proposition includes the purchase of two buses and one minivan. If approved, the district will purchase two (2) 66-passenger buses and one (1) minivan. With the purchase of buses annually, the District will continue to have the fleet of 30 school vehicles on a nine-year replacement schedule.

Byron-Bergen is receiving approximately 90% state transportation aid on our 2020-21 school bus purchase. If the aid ratio remains the same for these two new buses, the District would receive \$224,865 in aid

with the remaining \$24,985 local share being financed over five years (\$4,997 each year). The impact of \$4,997 on the levy is less than \$.01 per thousand of assessed value or less than \$1.00 on a \$100,000 home per year.

Summary of bus proposition:

- Proposition amount = \$249,850
- Proposed # of buses = 2
- Proposed # of minivans = 1
- State transportation aid = \$224,865
- Local share = \$24,985
- Local share per bus = \$11,317.50
- Local share for the minivan = \$2,350
- Tax increase for a \$100,000 home = less than \$1.00/year

1. The basic school tax relief (STAR) exemption is authorized by section 425 of the Real Property Tax Law.

Answering your tax-related questions...

Q. Is the tax levy increasing for the 2021-22 school year?

A. No, for the 2021-22 school year there will not be an increase in the tax levy. This means there will be a zero increase in the 2021-22 tax rate.

Q. What is Byron-Bergen Central School's budget for next year?

A. The proposed budget is \$24,991,065. This represents a budget-to-budget increase of 1.59%.

Q. What is Byron-Bergen's allowable tax levy limit?

A. Under the law, Byron-Bergen could establish a maximum tax levy limit of \$9,075,868. The 2021-22 Budget approved by the Board of Education has a zero increase. This means the tax levy limit will remain the same as the 2020-21 school year amount of \$9,024,961.

Q. Is the STAR program still in effect?

A. Yes. The STAR program is in effect. The STAR exemption is a reduction on your school tax bill for homeowners who participated in the STAR exemption program prior to 2015 and continue to meet the eligibility requirements. For the Basic STAR exemption, the homeowner could see a reduction of up to \$30,000 in taxable assessed value. For the Enhanced STAR exemption, the homeowner could see a reduction up to \$70,700 in taxable assessed value.

The STAR credit check is for eligible homeowners since 2015 and after. If you purchased your primary residence after August 1, 2015, you are eligible to receive STAR credit check in the mail each year. For the STAR credit check method only, STAR exemption amounts may be increased by New York State by 2% or less each year. For information regarding eligibility go to www.tax.ny.gov.

Q. How do new homeowners apply for their STAR benefit?

A. For homes purchased after August 1, 2015, the homeowner will need to register for the STAR credit through New York State rather than applying with your assessor. For these homeowners, a STAR credit will be received in the form of a check from New York State directly.

Q. Am I eligible for the Enhanced Star benefit?

A. If you own your home and it is your primary residence, are age 65 by December 31, 2021, and your income is \$90,550 or less, you are eligible for the Enhanced STAR benefit. Go to www.tax.ny.gov for more information.

Q. What affect does an increase in property assessments have on my school taxes?

A. Increases in property assessments can cause an increase in your tax. Please note, the school is not involved in any increases/decreases with your property assessment. If you have any questions with regard to your assessment or need any information changed on your tax bill, you should contact your town tax assessor.

Meet the Board of Education Candidates

My name is **William Forsyth** and I am seeking re-election for the position on the Byron-Bergen Board of Education. I have been a resident of Byron for over 45 years along with my wife Lisa, and our children, Connor and Lauren.

We are currently in the midst of hiring a new superintendent, the second search that I have been involved in. I am looking forward to finding the best person for our District; someone who will facilitate our students to be engaged, motivated, and will be supportive of programs that help them become upstanding citizens in our community.

If re-elected, I will continue working as a team with the Board to maintain a clear vision of our District's goals. I would like to continue my work on the Facility Committee and put my experience of being a Construction Site Superintendent to good use. I feel I have been helpful with giving input during the Capital Project. I have had mutual respect and support from faculty, staff,

and administration, and I want to thank them for their dedication to our students. I will continue working with the Board to develop cost-effective budgets that will help guide our school towards a sustainable future. I will fairly represent the community's needs and stay transparent and accountable in my actions and decisions.

Thank you for your support and the opportunity to serve as a Byron-Bergen Board of Education member.

Respectfully,

William R. Forsyth

Even though it's been a year like no other, our number one priority is to get all of our students safely back to school. With the support of the faculty, staff, administration, and our parents, this process is going as smooth as possible.

I'm **Debi List** and for the last 24 years I have passionately served on the Byron-Bergen School Board. I am extremely proud to represent our families, community, and children and I ask for your support to continue this important work. The past

year has been a struggle for everyone, working through on-line classes, federal guidelines, CDC recommendations, spotty Internet, and much more. We have made some progress for our kids with in-person learning, welcoming more students back, and working toward having all students back in school full-time. As we work to get back to a normal educational setting, we are focusing on ways to close the learning gap that has occurred with some students. We continue to look to help those students who may be struggling socially and emotionally due to a variety of reasons, while working toward helping them become happy and healthy students.

I currently serve on several boards in and outside of Genesee County, always working with the mindset of what is best for students. At meetings and events I am able to network with

board members and others across the state understanding how and what they are doing and if it could benefit our students and District.

As with everything there is always work to be done. I look forward to being tasked with this responsibility and to continue working on behalf of the District. I see this as an honor and a privilege. I ask for your consideration and vote.

Thank you,

Debra M. List
