What you need:

-A bathtub or big bowl full of water  
-different objects from around your house such as a: pencil, pen, cotton ball, spoon, soccer ball, pepsi can, paper, tennis ball, marshmallows, rocks, sticks, different toys!

What do I do?

- 1.) Fill the bathtub or large bowl with water.
- 2.) Collect some objects from inside or outside of your house.
- 3.) Before you put the objects in the water make a prediction! Separate all your objects into 2 piles. The first pile will be the objects that you think will sink, the

you have your own play-dough, use the subtraction smash activity to model subtraction sentences.

You can slide the subtraction smash worksheet into a large plastic ziplock bag.

### Enrichment Activity:

Play the "Touch of Spring Guessing Bag" game!

What you need:

-5 brown bags (or bags that you cannot see through)  
-5 spring objects that you or your family found outside

What do I do?

- 1.) Put one object in each bag.
- 2.) Mix up the bags so you do not know what is in each bag
- 3.) Stick your hand in the bag without looking! Use your sense of touching to try and guess what object is in the bag!
- 4.) Play with your whole family!
