Whenever Byron-Bergen Central School District is not in session either because of weather conditions or scheduled recess, there will be no bus transportation provided to private or parochial school services by Byron-Bergen Central School. No transportation is provided in the afternoon for scheduled half (1/2) days by Byron-Bergen Central or parochial school.

Section 3635 of the Education Law states that requests for transportation to nonpublic schools must be submitted to the home district prior to April 1st, and that a timely filing of the request is the responsibility of the parent/guardian; reliance on the nonpublic school will not serve as a reasonable excuse for lateness.
