Happy Hanukkah!

Mrs. Gardner's students kicked off the holiday season by lighting the menorah and learning about Hanukkah.

AP World students

AP World students participated in a silent auction over the past few weeks. Students were assigned a country and had \$1,000 limit to spend on trying to purchase the best tools for exploration available. The countries that were successful in purchasing items for exploration received a certificate of purchase.

Reminder: Byron-Bergen Central Schools are closed for Winter Recess
Wednesday December 24 through January 1, 2021
Classes resume in a fully-remote format January 4 through January 15.

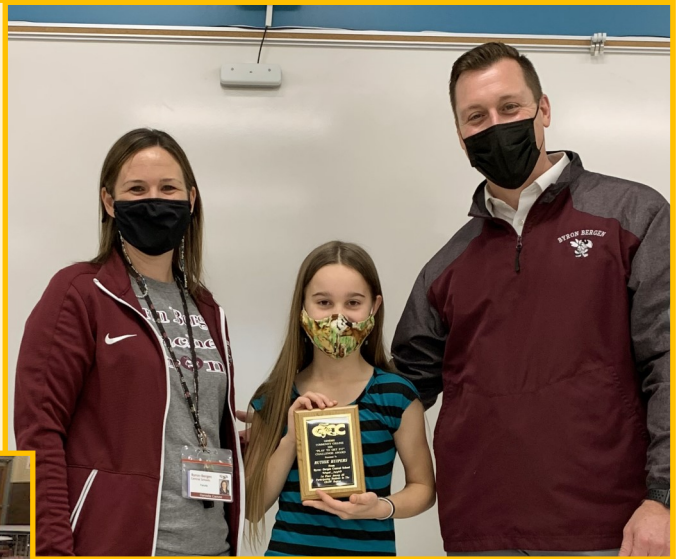

Winter Wonderland Drive-thru

On Thursday, December 17th, faculty, staff, and the Jr./Sr. High School Student Council braved the cold to spread holiday cheer. Community members drove through the elementary and high school bus loops to wave at their teachers, admire the decorations, and see the couple of celebrities from the North Pole. Many visitors brought non-perishable food items which will be donated to a local food pantry.

Around the District...

Ruthie Kuipers won 1st place among all participating students in the GLOW region with 4279 minutes of activity recorded in the 9th annual Genesee Play to Get Fit Challenge.

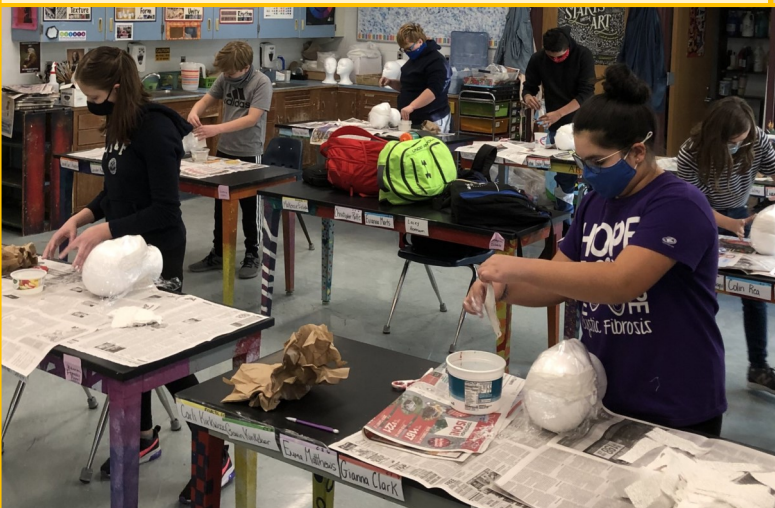

7th and 8th grade students enjoyed days of class togetherness as they each spent a Wednesday learning and participating in group activities.

The 4th grade shared their Haudenosaunee projects with their classmates before Thanksgiving break. Their projects included scale models of dwellings and agriculture, and research on the history and culture of the Haudenosaunee people. Great work, everyone!

Mrs. Auer's art students adapted their plaster face mask projects for the pandemic but they still had a lot of fun.

Students of the Quarter

Every quarter, the Byron-Bergen Faculty Association nominates students and votes for the Students of the Quarter, one for each grade level. These students exemplify the Byron-Bergen core values. Congratulations to this quarter's recipients.
